**WARNING:** The personal data provided by the applicant will be used by Education Bureau to process the application for “Registration Certificate for Kindergarten Admission”. Applicants are reminded that if any representation given is incorrect or misleading or if a false instrument is provided; or if they fail to comply with any provisions of the Undertaking and Declaration, relevant parties shall be entitled to immediately invalidate this application or, as the case may be, immediately invalidate the “Registration Certificate for Kindergarten Admission” issued; and the applicants may be liable to litigation and/or criminal prosecution.

## A - General Information

## 1. Free Quality Kindergarten Education Scheme

- 1.1 The Government of the Hong Kong Special Administrative Region (hereafter referred to as “HKSAR Government”) will implement the “Free Quality Kindergarten (KG) Education Scheme” (hereafter referred to as “KG Education Scheme”) in the 2017/18 school year to replace the existing “Pre-primary Education Voucher Scheme” (hereafter referred to as “PEVS”) to improve the quality of KG education in various aspects through different measures. On the scope of the “KG Education Scheme”, the HKSAR Government will provide basic subsidy which would cover half-day (HD) service in local non-profit-making (NPM) KGs to benefit all eligible KG children (including nursery (K1), lower KG (K2) and upper KG (K3) classes). To unleash the potential of the local labour force under the population policy, additional resources will be provided for eligible KGs offering whole-day (WD) and long WD (LWD) services to encourage them to offer more such services at a more affordable rate.
- 1.2 To be eligible to join the “KG Education Scheme”, KGs should be NPM and offering a local curriculum that conforms with the KG curriculum guidelines published by Education Bureau (EDB), with proven track records on providing quality KG education. KGs are also required to meet a certain eligibility criteria such as requirements in teacher qualifications, teacher-pupil ratio, level of school fees, etc. Please refer to EDB’s website ([www.edb.gov.hk](http://www.edb.gov.hk)) for information on KGs joining the “KG Education Scheme” and other details.

## 2. Admission Arrangements for K1 Classes in KGs in the 2017/18 School Year

- 2.1 KGs in Hong Kong have been characterised by its flexibility and diversity, among others, including local/non-local, NPM/private independent KGs, as well as providing different modes of services. Parents can choose a KG suitable for their children with regard to their needs while KGs have discretion on student admission. EDB will continue to implement the Admission Arrangements for K1 Classes in KGs for the 2017/18 school year (hereafter referred to as “2017/18 K1 Admission Arrangements”) with a view to facilitating the smooth operation of the admission process of KGs and helping parents confirm early a KG place for their child. “2017/18 K1 Admission Arrangements” are applicable to all KGs joining the “KG Education Scheme”.
- 2.2 Since subsidies will be provided to eligible local NPM KGs direct under the “KG Education Scheme”, each eligible student will be issued a “Registration Certificate for KG Admission” as the registration document in the 2017/18 school year (hereafter referred to as “2017/18 RC”) which will replace the “Certificate of Eligibility for the PEVS” (hereafter referred to as “Voucher”).
- 2.3 Parents who wish to apply for their child a K1 place in a KG joining the “KG Education Scheme” in the 2017/18 school year should apply to EDB for the “2017/18 RC” from September to November 2016. Upon receipt of the application with all necessary information and documents provided, EDB will generally take six to eight weeks to complete processing of the application and issue the “2017/18 RC” to eligible applicants by post.
- 2.4 KGs will inform parents in advance through effective channels (e.g. guidance notes in application forms, admission guidelines/leaflets, school website, etc.) about the details of their school-based admission mechanism. Parents should understand from KGs about their school-based mechanism including the procedure, criteria, interview arrangements, application fee, etc. and obtain application form for admission and submit application to KGs in accordance with the requirements as specified by individual KGs.
- 2.5 KGs will inform parents of the admission application result before 23 December 2016.
- 2.6 Upon receipt of notification(s) of admission, parents should choose one KG after careful consideration. They are required to submit the “2017/18 RC” and pay registration fee at the KG to complete the registration procedure **from 12 to 14 January 2017** (i.e. the “centralised registration dates”). This measure is to avoid the hoarding of more than one place by a student at any one time, which may affect other students. If parents do not submit applications to EDB within the designated period, the “2017/18 RC” will generally not be issued before the “centralised registration dates” for K1 registration even if the student is eligible for “2017/18 RC” application.

- 2.7 The “2017/18 RC” is issued by EDB and should be kept by the KG that the student is registered with. The student, if changing to another KG after the “centralised registration dates” or during the validity period of the “2017/18 RC”, should get back the RC from the KG keeping it and submit it to the KG that the “2017/18 RC” holder is being transferred to for registration. Once the “2017/18 RC” holder/applicant obtains the RC from the original KG, the KG concerned will no longer reserve the school place for that student.
- 2.8 EDB will release K1 vacancy information from the end of January 2017 onwards (i.e. after the “centralised registration dates”). If necessary, parents may obtain the information via EDB’s website, Regional Education Offices and EDB hotline.

### 3. Eligibility Criteria for Application for the “2017/18 RC”

- 3.1 The students must be:
- Hong Kong residents with right of abode, right to land or valid permission to remain without any condition of stay (other than the limit of stay) in Hong Kong (please provide relevant supporting documents as listed in paragraph 2.3 of Part B); and
  - born on or before 31 December 2014 and will be attending KG classes in the 2017/18 school year. Those who were born on or after 1 January 2015 are not eligible to apply for the “2017/18 RC”.
- 3.2 Students holding visitor visas, two-way exit permits or student visas only are not eligible to apply for the “2017/18 RC”.
- 3.3 Children reaching the age of 6 or above should normally attend primary schools. For enquiry on admission to Primary One, parents may call the School Places Allocation Section of EDB at 2832 7700 / 2832 7740 or EDB’s 24-hour automatic telephone enquiry system at 2891 0088. If parents consider it necessary that their children should take KG education in the 2017/18 school year, parents may submit an application for “2017/18 RC” to EDB for consideration together with documentary proof showing the admission of their children to a KG in the 2017/18 school year and a declaration from the parents that their children have not participated in the Primary One Admission for September 2017.

Where necessary, EDB may also request for additional information from the applicants to process the applications. If applicants fail to provide the necessary information within 30 calendar days from the date of request for additional information, the applications will automatically become invalid. Multiple applications from the same applicant may lead to delay in application processing.

#### 4.6 Application for Re-assessment

If applicants disagree with the results of their assessment, they may apply in writing to EDB for re-assessment within 30 calendar days from the issue dates of the notifications of result, providing detailed justifications and documentary evidence in support of their applications. The applications for re-assessment must be duly signed by the applicants. Re-assessment of eligibility normally takes six to eight weeks.

#### 4.7 Application for other Financial Assistance

4.7.1 Under the “KG Education Scheme”, the HKSAR Government will provide subsidy to eligible local NPM KGs. Eligible children are required to use a valid “2017/18 RC” for registration with these KGs. If these KGs still require parents to pay school fee after receiving Government’s subsidy and the family of the applicant is financially in need, he/she may apply to Student Finance Office (SFO) of Working Family and Student Financial Assistance Agency for additional financial assistance under the Kindergarten and Child Care Centre Fee Remission Scheme (“KCFRS”) in the 2017/18 school year **separately** subject to the terms and conditions of the KCFRS. “Household Application Form for Student Financial Assistance Schemes (2017/18)” is expected to be available around July 2017. SFO will upload the application form, announce the method for application and details of the KCFRS on its homepage in due course.

4.7.2 Parents in receipt of the Comprehensive Social Security Assistance with children to be admitted to KGs in the 2017/18 school year, like parents of other pre-primary children, are required to apply to EDB for the “2017/18 RC”, so as to use it as the document for registration with an eligible local NPM KG under the “KG Education Scheme”.

### 5. Provision/Handling of Personal Data

5.1 **It is the responsibility of applicants to complete the application forms fully and truthfully and to provide all supporting documents. Applicants are reminded to go through the "Checklist for Submission of Application" on page 6 to ensure the list of supporting documents required are prepared for the application. EDB will assess the eligibility of the students based on the information provided by the applicants. Insufficient information may lead to delay in processing or even render the applications disqualified for further processing, resulting in invalidation of an application by EDB.**

5.2 The personal data provided in the application and any supplementary information (e.g. missing identity document) provided on the request of EDB will be disclosed to relevant HKSAR Government bureaux/departments for the following purposes:

- Activities relating to the processing and authentication of this application including matching of the personal data of the applicant and the student with the database of other relevant HKSAR Government bureaux/departments (e.g. the Immigration Department);
- Statistics and research purposes; and
- Enquiry handling purpose.

5.3 The personal data of the applicant and the student provided may be disclosed to other HKSAR Government bureaux/departments and the related schools for the purposes stated in paragraph 5.2 above; or where the applicant has given consent to such disclosure; or where such disclosure is authorised or required by law.

5.4 Any misrepresentation, omission of facts or provision of a false instrument will lead to disqualification and possible prosecution.

5.5 All documents submitted are not returnable. However, in accordance with Sections 18 and 22 and Principle 6 of Schedule 1 to the Personal Data (Privacy) Ordinance (Chapter 486 of the Laws of Hong Kong), an applicant has the right to obtain access and make corrections to the data provided by him/her. He/she can also obtain copies of his/her personal data subject to the payment of necessary administrative charges. Such request should be addressed to EDB in writing.

## 6. Admission Arrangements for K2 and K3 classes in the 2017/18 School Year

- 6.1 If the student has been issued a Voucher and will continue to study K2 or K3 of a KG which has joined the PEVS and will join the “KG Education Scheme” in the 2017/18 school year, parents of these students **do not** need to apply for the “2017/18 RC” for registration. Parents should follow school-based arrangements for registration of K2 or K3 classes. After the implementation of the “KG Education Scheme” in the 2017/18 school year, holders of the Voucher concerned will be automatically covered under the funding mode of the “KG Education Scheme” during the validity period of their Voucher. Parents should pay the tuition fee according to the Fees Certificate of the KG. If the KG concerned does not collect tuition fee, relevant information will also be shown on the Fees Certificate.
- 6.2 If the student has **never** applied for a Voucher and will study K2 or K3 of an eligible local NPM KG under the “KG Education Scheme” in the 2017/18 school year, parents of these children are required to apply for the “2017/18 RC” for registration. As EDB does not have central registration arrangements for admission to K2 or K3, student should follow school-based admission mechanism of individual KG and use a valid registration document for registration. Parents should understand from the KG concerned about its registration arrangements in advance and apply for the “2017/18 RC” as a document for registration timely.

## 7. Enquiry

- 7.1 Applicants may visit EDB’s website at [www.edb.gov.hk](http://www.edb.gov.hk) for details of applications for “2017/18 RC” and the “KG Education Scheme”. For enquiries on individual applications, applicants may also call EDB at 3540 6808 / 3540 6811 or 24-hour automatic telephone enquiry system at 2891 0088.

## C - Notes on “2017/18 RC” to be Issued

EDB 188E

- 1.1 The “2017/18 RC” is a registration document for students to admit to an eligible KG under the “KG Education Scheme”. The validity period of the “2017/18 RC” is determined on the basis of the KG classes the eligible students are attending in the 2017/18 school year, and will range from 1 to 3 years. Details are illustrated in the table below:

Level to be Enrolled in 2017/18	Validity Period of the “2017/18 RC”
Nursery (i.e. K1)	3 years
Lower KG (i.e. K2)	2 years
Upper KG (i.e. K3)	1 year

*Please note that each eligible child with the “2017/18 RC” is eligible for studying continuously in eligible KGs for a maximum of three years. The validity period will normally not be extended.*

- 1.2 EDB will inform applicant of the result by post. Since the “2017/18 RC” will be mailed to the home/Hong Kong correspondence address of the applicant, the applicant must therefore ensure that the home/Hong Kong correspondence address is accurately provided in the application form. In case the applicant changes the home/Hong Kong correspondence address in the course of application, such change must be made known to EDB in the first instance. Otherwise, the “2017/18 RC” may not be mailed to the applicant and the applicant would have to bear any possible consequence, including their inability to be admitted to KGs.
- 1.3 Loss or damage of the “2017/18 RC” must be reported to EDB at 3540 6808 / 3540 6811 or 24-hour automatic telephone enquiry system at 2891 0088 so that EDB can void the “2017/18 RC”. Invalidated “2017/18 RC”, even when recovered, would not be accepted as the document for registration with KGs. Applicants may apply for re-issue of the “2017/18 RC” from EDB at cost.
